# System zarządzania danymi

## Lista interfejsów urządzeń systemu POCcelerator

Łatwe, bezpieczne i pewne podłączenie wszystkich urządzeń w miejscach opieki nad pacjentem

Przejrzysty i uporządkowany format zarządzania danymi, zapewniający zgodność z wymaganiami regulacyjnymi

Łączna liczba interfejsów: 242

Autoryzowany  
dystrybutor  
i partner  
serwisowy
